[The program] really helped me a lot

with my painful past. It had a big

effect on me, it made me open up

my deepest feelings like pain and

shame. I want to restart my life.

My new journey begins, my recovery for a better
future. I have words for my problem which I
didn't have words for before and that is going to
make it a lot easier for me in the future to
express myself how I'm feeling. I feel more
confident and proud and I have more strength emotionally, mentally & spiritually.

Emma Grey Thank you pinngupaa2019. It's nice to detox and I enjoyed the many great benefits from being sober.

Isabelle Dubois After this one-month experience, I now realize it's not easy to stay sober, with so many opportunities where drinks are offered, often without much alternatives, and especially if you suffer from addiction. It definitely takes strength to make it through each day and I want to take that opportunity to congratulate each and every single one of yous. Bravo ! Pisitiit!

Chris Murovic Isabelle Dubois it was easy I'm gonna do another month or maybe just quit all together. I lost 15 pounds, I sleep better, eat healthier and I have money in my bank!
